

REMARKS

Applicant has carefully reviewed and considered the Office Action mailed on April 23, 2003, and the references cited therewith.

No claims are amended; no claims are cancelled; and no claims have been added. Claims 1-12 are now pending in this application.

In The Drawings

The *Ex Parte Quayle* action indicated the formal drawings are required. The Office Action indicated that Figures 4-7 do not contain a "Prior Art" legend, which was found in the proposed drawing corrections. In the formal drawings included herewith, Applicant has added a prior art legend to Figures 4-7.

Allowable Subject Matter

The Office Action indicates that claims 1-12 have been allowed. Applicant respectfully thanks the Examiner for his careful consideration and for allowing the claims 1-12.
